Seeking full-time remote employment from Ireland

Professional Summary

Multimedia graduate and freelance designer with experience in photo editing, graphic design, animation, video and digital content production. Produced multimedia materials at the Central Statistics Office and supported motion graphics and exhibition content for an artistic director. Brings creative production planning from Spirit of Sign, practical website and e-commerce development experience, and accurate digital record management in a remote role.

Key Skills

Photo editing and Photoshop | Graphic design | Images, layouts and posters

Video editing | Animation and motion graphics | Storyboards | Scriptwriting support

Digital image libraries | Content organisation | Production quality checks

Website design | HTML and CSS | E-commerce product data | Remote collaboration

Relevant Experience

Freelance Digital Media and Graphic Designer

Remote | Sep 2025 - Present

- Provide freelance photo editing, graphic design and web development services.
- Create images, layouts, posters and digital graphics for small digital projects.
- Support website design and multimedia editing.

Digital Multimedia Designer

Freelance, Tipperary and Cork | Oct 2019 - Apr 2020

- Supported an artistic director with photo editing and motion graphics production.
- Organised digital image libraries and quality-checked materials for exhibition presentation.

Multimedia Producer Intern

Central Statistics Office, Cork | Sep 2017 - Jul 2018

- Produced and edited animation, graphics and video content.
- Created storyboards, layouts and digital materials for multimedia projects.
- Organised and quality-checked content throughout production and post-production.

Business Development Coordinator

Cork Deaf Enterprises | May 2017 - Sep 2017

- Supported the development of accessibility-focused communication solutions.
- Organised project information and contributed to software and hardware concepts.
- Assisted with prototype development, documentation and presentations.

Additional Experience

Executive Producer - Volunteer

Spirit of Sign, Cork | Sep 2006 - Jun 2012

- Produced and coordinated short films and creative media projects within the Deaf community.
- Managed production planning, budgeting and project coordination.
- Supported scriptwriting, editing and collaboration across creative productions.

Data Entry Associate - Remote

Home, Cork, Ireland | Jan 2026 - Present

- Process, update and organise work-order data using Microsoft Excel and internal digital systems.
- Review and validate records, identify missing or inconsistent information and correct discrepancies.
- Maintain structured digital records and prepare information for reporting and internal processing.
- Use Microsoft Copilot, HindSite and documented remote workflows to support formatting, documentation and timely completion.

Career Break and Professional Development

Cork, Ireland | Apr 2020 - Sep 2025

- Managed full-time family responsibilities during a career break beginning in the COVID-19 pandemic.
- Completed a Diploma in Full Stack Software Development in 2024 and built a database-driven e-commerce application using Django, Python and SQL.
- Created and organised product information and database records; developed responsive front-end pages using HTML and CSS.

Personal Shopper and Delivery Driver

Buymie | Self-employed, part-time | May 2022 - Sep 2022; Sep 2024 - Dec 2024

- Processed customer orders accurately through the Buymie digital app.
- Checked and organised items, managed deliveries independently and met scheduled times.

Store Person and Clerical Assistant

A to Z Safety Centre, Cork | Part-time | Dec 2004 - Jul 2012

- Maintained stock records, prepared delivery orders and supported accurate stock handling.
- Organised documents and records and supported day-to-day clerical and office operations.

Irish Sign Language Tutor

Freelance, various locations, Cork | Sep 2004 - Jun 2012

- Delivered structured Irish Sign Language training to adults and students.
- Prepared teaching materials and course documentation; maintained learning records and assessed progress.
